Chromium-plated castors
Chromium-plated 360° hinges

Screen:

Trevira®CS. Detachable clothing can be washed at temperatures up to 60°C. Trevira®CS has passed every fire test throughout the world and meets all regulatory requirements in all major industrialised countries. Trevira®CS has antibacterial effect. The physiological and dermatological characteristics are impeccable. Trevira®CS available in eleven colours (see page 44).

Model RFW

ropimex®-folding wall

Folds up to save space

ropimex®- folding wall

Formschön und elegant schützt die faltwand die Intimsphäre ihrer Patienten.

With its elegant and attractive design, this folding wall protects your patients' privacy.

Can be used flexibly as a screen or partition in a hospital or care facility, this robust and impact-resistant folding wall can be brought into position swiftly and just as quickly returned to its storage position on the wall.

The number of leaf sections can be extended later as required. The panel material is opaque yet translucent, and with its high-quality aluminium profile frame, the atmosphere it creates is bright and friendly.

The folding wall can be customised with your own individual leaf design, which can even be changed after a few years if you so desire.

Flexible in all directions

Installation directly on the wall or on supply rails with special holder.

Opaque 360° hinges. Profiles: elegant and functional

Model RFW

ropimex®-folding wall

ropimex®-folding wall in nursing or care homes and medical practices

The Plexiglas panels are opaque and yet translucent, and create a friendly atmosphere. The leaves can be custom-patterned to match the room design. The wall folds up to save space and can be returned to use in seconds.

Customised patterns available

The RFW in a medical practice.

RFW

ropimex®-folding wall custom

The folding wall can be customised to your specifications with your own individual leaf design, which can even be changed in after

a few years if you so desire. It is also possible for you to extend the number of leaves yourself at any time.
